**REQUEST TO ISSUE STRUCTURAL SAFETY CERTIFICATE FOR
THE SCHOOL BUILDING OF KV DGQA**

1. Ref Your letter No F.School Building/KVDGQA/2021-22 dt 08 Dec 2021.
2. On visual Inspection, it is opined that the Kendriya Vidyalaya buildings at Palavanthangal have been found structurally safe. However, the following are suggested to enhance the life of buildings
 - (a) Vegetation/small shrubs found on the roof and wall surfaces at certain location of the buildings to be removed regularly.
 - (b) Structural safety of the building to be checked yearly to observe, if any changes found during the year.
3. This is for your info and necessary action please.
